6. **COMMUNICATIONS.**

A. Department Reports

i. Building & Zoning. Mr. Duckett presented the building and zoning report, a copy of which is on file. Mr. Samples asked if building inspections require a licensed building official. Mr. Duckett said yes. Mr. Samples said it appeared the average is seven inspections in two hours, and expressed concern that increased building activity during this time of year might hold up contractors and homeowners waiting on inspections. He appreciated that the City of Myrtle Beach was assisting the town, but wanted to insure that customer service to residents and businesses was the number one priority. Mr. Duckett said plan reviews are being done in Myrtle Beach. The inspector that comes daily brings the reviewed plans and picks up the new submissions. In most cases there is a one-day turnaround, which is the quickest

56 turnaround the town has ever had. Mr. Leath, Myrtle Beach city manager, has assured him that the town
57 will have all of the assistance that it requires. Mr. Samples reiterated that work does not need to be held
58 up.
59

60 ii. Police. Mr. Duckett presented the police report, a copy of which is on file. Mr. Smith asked
61 how long the accreditation process would take. Mr. Duckett said about a year.
62

63 iii. Fire. Mr. Duckett presented the fire report, a copy of which is on file.
64

65 C. Administrator's Report – Update on Current Events. Mr. Duckett said there was no formal
66 report, because it is election season. There is a runoff Tuesday, April 17th. He noted that mosquito
67 spraying has started, and will be done twice weekly.
68

69 7. **BUSINESS.**
70

71 A. Resolution #12-112 – Request Status of Southern Evacuation Lifeline. This item was deleted
72 by approved motion (See number 3 above.)
73

74 B. Resolution #12-113 – Declaration of Results – 2012 Municipal Election. Ms. Herrmann read
75 the resolution into the record, a duly recorded copy of which is attached to these minutes and made a part
76 hereof by reference. Mr. Smith moved to adopt Resolution #12-113. Ms. Dodge seconded. All voted in
77 favor. **MOTION CARRIED.**
78

79 C. Appointment to Grand Strand Water and Sewer Advisory Board. Mayor Pro Tem Childs said
80 that Denise Brown-Richardson was the only applicant. Mr. Smith moved to appoint Denise Brown-
81 Richardson to the Grand Strand Water and Sewer Advisory Board. Mr. Samples seconded. All voted in
82 favor. **MOTION CARRIED.** Mayor Pro Tem Childs announced that the appointment of Denise Brown-
83 Richardson was confirmed.
84

85 8. **DISCUSSION.**
86

87 There was no discussion to come before this meeting.
88

89 9. **PUBLIC COMMENTS.**
90

91 "Harry Kohlmann, 1610 South Ocean Boulevard. I know that council can't do anything right now,
92 but maybe the administrator with the public works can do something. We have a sanitation health
93 problem in the rental zone. Unfortunately, the parking starts, you go into full effect for the parking on
94 March 1st. But April 1st is when the tourists come and we only start the three-day pick up, I believe, on
95 May 13th. You still have another month to go. You go down at the rental area there are garbage cans
96 overflowing. Our sanitation has already come by, it was ten plastic bags next to a garbage can, they
97 came by and picked them up. So, I just don't like (***) the problems out there. The solution would be to
98 either bring another garbage can to them or next year start the season on April 1st. This way we'll have
99 three pickups. Thank you."
100

101 10. **COUNCIL COMMENTS.**
102

103 Mayor Pro Tem Childs, "Well, I think I could start. First of all, I'd like to congratulate Mayor-elect,
104 Mr. Samples. (applause) And councilwoman-to-be, Mary Beth Mabry. (applause) Stand up, Mary Beth!
105 Thank you. Congratulations to both of you. Mr. Johnson."
106

107 Mr. Johnson, "Thank you Mr. Mayor Pro Tem. I would just like to also congratulate the two
108 winners and remind people that the poles are open from seven a.m. to seven p.m. April 17th. As far as
109 the garbage problem goes, I agree with Mr. Kohlmann. I've seen it myself. There seems to a problem,
110 and maybe that's a big problem in that there are more people coming to the beach than we anticipated,
111 but I certainly would like for that to be addressed by town staff, and that's all."

112 Ms. Dodge, "I have a much longer speech. I want to encourage each registered voter to turn out
113 for the April 17th election. Two people, two of the people that we elect will be our voice on town council. I
114 especially wanted to congratulate Mr. Samples our new mayor, and Mrs. Mabry who will sit on town
115 council. They won their seats in the Municipal Election. We're fortunate to have citizens of their caliber
116 as leaders for this town. As you know, both are knowledgeable and dedicated people, and bring a lot of
117 expertise to their new roles. Also, I have something to say. This past week I met with a couple who
118 recently moved here from New Jersey, and they happen to be here this evening. Mr. and Mrs. Magliette,
119 they purchased a home in Harbor Lights and are already vitally interested in their new hometown, and
120 they ask a lot of questions. I had some answers, but maybe not all, and made many valuable
121 suggestions, which I'm going to share with you. One of the major things they pointed out to me is that our
122 town website is not up to date. I was amazed and I will tell you I am not a computer literate person. I, my
123 computer is sworn at more than any other computer in the world (*laughter*), so I was not aware of that.
124 But that website should be up-to-date, up-to-the-minute, because people from everywhere that want to
125 find out about Surfside Beach go to that website for knowledge and information. Some of their other
126 suggestions included using Friends of the Library and members of the Senior Citizens Center as public
127 relations representatives to publicize activities in the town. I think that's a great idea. I don't know why
128 we don't use all the resources that we have. I know they would be willing. We need to highlight, (**)
129 excuse me, volunteer opportunities here. Also said we're all public relations representatives for our town,
130 and that's true. The more public relations we get out there, the better it is for our town. Some more of
131 their suggestions, generate a local business map and directory of restaurants, amusements, nightlife,
132 grocery stores, and lodging. This directory would also urge residents to shop local. They suggest that we
133 have extra copies of the directory to distribute to visitors to town hall, and also to place in rental units in
134 town. Also suggested was an ongoing campaign to support our local businesses, which is something we
135 should already be doing. Our businesses are our lifeblood. They did have some criticism: garbage cans
136 at the pier full and not being emptied on weekends, and jelly fish littering the beach. The nerve of jelly
137 fish! But, they do come in. I pointed out that we do rake the beach on a regular basis that's three times a
138 week. It probably isn't enough to get rid of all the jelly fish, but the tide does that. There's just some
139 smaller ones left now and then. I think it was so great of these people to come and talk about things that
140 we could do to make our town better. They want to be a part of this. Everybody welcome them. They're
141 here. Mr. and Mrs. Magliette, Mr. Mayor Pro Tem may they stand?"

142
143 Mayor Pro Tem Childs, "Yes, would you please." (*applause*) Mayor Pro Tem Childs, "Welcome to
144 our town."

145
146 Ms. Dodge, "I have one more thing. I wanted to ask that you please keep our county councilman,
147 Mr. Paul Price, in your prayers. He lost his mother today and I'm very sad about that. Thank you very
148 much."

149
150 Mr. Smith, "I'd like to congratulate Mr. Samples on winning the mayor's job, and Mary Beth Mabry
151 on being on council, and I look forward to working with you on the budget over the next two years. Thank
152 you."

153
154 Mr. Samples, "I want to thank everybody who's here tonight and, of course, everybody who voted,
155 whether they voted for me or the other fellow. I also want to encourage everybody to get out and vote at
156 the runoff. I wanted to mention something, and just make everybody aware, make all of council aware,
157 there's a very important meeting that's going to occur May the 4th, I believe, and that is the Grand Strand
158 Area Transportation Policy Committee meeting. Now, Mayor Deaton is a represent... a voting
159 representative on that board, and at that board my understanding is that the additional twenty-million plus
160 or whatever the number is for fiscal years 2015 through 18, they're going to decide which projects are
161 going to be funded, and so it is imperative, and I guess, if I could, we have a standing proxy for Mr.
162 Deaton, Micki?" Ms. Fellner, "No." Mr. Samples, "We do not? We do not. Well, I bring that up because
163 the mayor needs to attend that meeting or the mayor pro tem or somebody needs to attend that meeting
164 and please work out the logistics of that, because if we're not at that meeting, the two projects that we've
165 requested most certainly won't be funded, and the chances are we're not going to get both those projects
166 any, anyway. I mean, that's the reality of this. There's \$50 million in requests, I've been told, and \$20
167 million to go around. But, it's important that we be at the table and get our fair share. Am I correct that

168 meeting's going to be here? That's May 4th, am I correct?" Ms. Fellner, "Yes." Mr. Samples, "So, we're,
169 I'd encourage y'all, council to attend just to show support for the projects and if, if we don't get our fair
170 share then we can lock the doors and, and take matters into our own hands. (*laughter*) Having said that,
171 thanks for coming, okay."
172

173 **11. EXECUTIVE SESSION.**

174
175 Pursuant to FOIA §30-40-70(a)(1) to discuss nominations to the Grand Strand Water and Sewer
176 Advisory Board. Mayor Pro Tem Childs explained that executive session was not necessary since the
177 appointment was already made.
178

179 **12. ADJOURNMENT.**

180
181 Mr. Smith moved to adjourn the meeting at 6:58 p.m. Ms. Dodge seconded. All voted in favor.
