1. **SUBJECT:** Second Reading Ordinance #19-0908

2. **PURPOSE:** To amend Chapter 9 to require payment for parking at all beach accesses; to authorize using mobile parking application, to provide increases to charges for value parking; non-residential property owner decals; non-resident decals, and commercial district decals; add a 24-hour parking rate, and to authorize the Town Administrator to manage the town's parking function

3. **FACTS:**

a. The Town has multiple beach access parking areas that are prime parking locations in which beach-goers park haphazardly to avoid using the town's pay-for-parking lots

b. The Town Administrator has identified multiple town rights-of-way and other areas that could be used for parking, including all beach front access locations and side streets at the request of councilmembers during a previous meeting

c. ParkMobile and other internet applications are customary means by which parking patrons pay charges in today's economy

d. Proposed new and increases to fees are:

- i. Nonresidential property owner decals from \$40 to \$50. That fee has not increased since its adoption in June 2012. Allowing for 3%/year inflation since 2012 that would be an appropriate amount to charge. Limit to two decals per property; \$5 for each decal for nonresident property owners to cover administrative cost – **Concurred at workshop to submit for second reading; 2 free decals purchase additional decals at \$50 each; delete administrative fee**
- ii. Value Parking Lot (not changed since 2015) from 50 cents to \$1.00, **Concurred at workshop to submit for second reading, and to add parallel parking on Surfside Drive to value parking**
- iii. Non-resident parking passes (not changed since 2015) from \$200 to \$250 **Concurred at workshop to keep \$200 rate**
- iv. Commercial District 30-day parking decals for business employees (not changed since 2017) from \$20 to \$30 (\$1 per day) **Concurred at workshop to submit for second reading**
- v. Add 24-hour parking rate of \$15 for 24 hours, and allow overnight parking only in the Yaupon Drive Parking Lot **Concurred at workshop to submit for second reading**
- vi. Weekly parking from \$40 to \$70 (\$10 per day), and allow overnight parking only in the Yaupon Drive Parking Lot **Concurred at workshop to submit for second reading**
- vii. New fee \$5 for each decal for residents to cover administrative cost **Council concurred at September 24th meeting to delete administrative fees; limit to three decals per resident** **Concurred at workshop to allow residents to have a decal for each vehicle registered in town**

viii. New fee of \$500 annually proposed for commercial passenger busses parked in town rights-of-way **Concurred at workshop to submit for second reading, and add that commercial busses shall park in designated rights-of-way at Memorial Park**

e. Section 9-16(3) Merchant and patron validation program should be repealed in its entirety. When the code was originally adopted kiosks and mobile applications were not available through which users could purchase weekly parking passes.

f. Section 9-18 is to authorize the town administrator to implement parking areas in the town's rights-of-way and upon other appropriate locations for which the town could gain revenue enables him to proactively identify and implement parking areas (The previous Section 9-18 was moved to Section (h) Paid Parking Districts and includes specific locations.)

g. Lanier Parking Solutions staff has reviewed the proposed ordinance and confirmed that implementing the proposed parking zones will be easily accomplished by the next parking season

h. It is recommended that rate increases be effective January 1, 2020; all other amendments shall be effective immediately

i. A public hearing will be held during the October 22nd Town Council Meeting.

j. The town attorney has reviewed this ordinance. Comments or recommendations were considered and/or included therein.

k. A workshop was held on October 1st to discuss the proposed ordinance. From that workshop, Town Council concurred to bring second reading with these amendments to fees set out in Paragraph 'd' herein, and other sections as stated below:
